

## Chobe Under Canvas Chobe

Chobe Under Canvas introduces guests to the area of the Chobe close to the river itself. Famous for fantastic water game viewing including the big river safaris on the Chobe itself, this camp is special due to its location away from the crowds that Chobe has become rather famous for.

Designed with the intention of creating some of Africa's finest luxury camping the 6 rooms are spacious luxury mobile tents, each complete with a double bed, ensuite bathroom, separate w.c., and al fresco bucket shower (hot water delivered upon request).

The guest areas comprise comfortable tents for dining, meeting for a pre-dinner drink, or just for whiling the time away between safaris with a good book and frosted beer or glass of Sauvignon Blanc. Complete with welcoming camp staff, personalised private butler service, delicious Pan African meals, and traditional bush dinners served under the stars.

A normal days safari at Chobe Under Canvas consists of a morning and afternoon game drive in semi-open 4x4 safari vehicles. Each client is guaranteed a window seat and therefore an uninterrupted view. The middle of the day is usually taken up by a typically fantastic CCA lunch.....which usually involves wine....so a siesta is needed before the next game drive begins!

- Private butler service.
- 6 luxury ensuite semi-permanent tents.
- Fantastic food and service.
- Exclusive private location.

### Our View

This camp is run by CCAfrica whose focus on quality food and drink as well as a high standard of guiding has meant that they are regarded as a company providing some of the best safari product in Africa.

Chobe Under Canvas certainly lives up to the reputation. Overall a truly stunning mobile camp that is remarkably similar to the style and character of East Africa's mobile outfits that follow the migratory herds. We love Chobe Under Canvas and the lodges value is undeniable....a very good choice indeed.
